Award Categories & Finalists

Transforming & Innovating Public Services Award

This award is open to any iNetwork member to celebrate excellence in the transformation of public services. It recognises teams and organisations that have successfully implemented change for people and places. Submissions demonstrate evidence of improved outcomes through innovative citizen focused solutions in the areas of data, technology and/or culture change.

With thanks to the following judges:

John Morrissy, Lancashire County Council
Rahna Riley, Rochdale Borough Council
Vicky Clark, Bury Council

TIPS Award Finalists:

Lancashire & South Cumbria NHS Foundation Trust – "Advice and Guidance" in Mental Health for GPs

St Helens Borough Council – St Helens WoW (Ways of Working) Programme

Trafford CCG – Trafford Urgent & Emergency Care by Appointment

Wigan Council (Digital Services Team) – TechMates

This award is proudly sponsored by Futuregov:

futuregov/

Connected Procurement & Commissioning Award

This award is open to any iNetwork member to celebrate successes in public procurement and commissioning. It recognises initiatives that: tackle social outcomes that are important to the public sector; that deliver savings and efficiencies; and/or cross sector benefits from innovative collaborative working between commissioners and procurement professionals.

With thanks to the following judges:

Agnieszka Gajli, YPO
Helen McMahon, Lancaster City Council
**Paul Maynard,** AGMA Procurement Hub

CPC Award Finalists:

Greater Manchester NHS – COVID-19: The Catalyst for Doing Things Differently

STAR Procurement – 10 Point Plan for Local Businesses and SMEs Support During COVID & Preparing for Recovery

Wigan Council – The Deal 2030 Care & Support Ethical Framework

This award is proudly sponsored by YPO:

Effective Information Sharing & Security Award

This award is open to any iNetwork member to celebrate excellence in Information Governance and/or Cyber Security. It recognises any projects that facilitates the secure storage, sharing, and/or use of sensitive information to deliver more efficient and effective services for users whilst ensuring that personal information is protected.

With thanks to the following judges:

Lesley Bullen, The Guinness Partnership
Sarah Gallear, Warrington Borough Council
Yunus Mayat, City of Bradford Metropolitan District Council

EISS Award Finalists:

North Yorkshire County Council – Buy Local Business Directory

University Hospitals of Morecambe Bay – The Information Sharing Gateway

NAFN Data and Intelligence Services (TMBC) – NAFN COVID-19 Business Grant Fraud Alert

This award is proudly supported by NW WARP:

iStandUK Award

This award is open to any public sector organisation that can demonstrate innovation and achievement in the effective use of data and information standards to improve services, to enable information transparency and/or to enable common understanding of a key issue.

With thanks to the following judges:

Georgina Maratheftis, TechUK
John Curtis, Bolton Council
Paul Davidson, iStandUK

iStandUK Award Finalists:

London Borough of Hackney – I Need Help Service (COVID-19 help service for vulnerable residents)

NAFN Data and Intelligence Services (TMBC) – NAFN COVID-19 Fraud Prevention and Recovery

Adur & Worthing Councils with Buckinghamshire County Council & Leeds City Council – OpenCommunity: SETTING the COMMUNITY SERVICES DATA STANDARD

Wigan Council – COVID-19: Using Data to Direct Support Where it is Most Needed

This award is proudly supported by iStandUK:

Partner Excellence Award

This award is open to any iNetwork member organisation who wish to recognise outstanding performance from their partner organisations. The award celebrates innovation, collaboration, efficiency and going the extra mile in partnership working.

With thanks to the following judges:

Christine Banks, NW Skills Development Network
Duncan Spokes, YPO
Sharon Senior, NW Employers
